PART NO. DM-500ERT

Automatic Banding Machine DM-500ERT

Tabletop OPP film & paper tape banding — fast, clean, tool-free strapping for retail-ready packs.

24 straps/min
High-speed continuous banding cycle

≤5 kg
Adjustable tension — gentle on soft goods

OPP FILM TAPE · PAPER TAPE

473 ×206 mm
Wide arch opening (W × H)

35 kg
Compact tabletop unit

The **DMInteract DM-500ERT** replaces rubber bands, manual taping and shrink film with a single-touch banding cycle. Place the bundle in the arch and the machine wraps, tensions, seals and cuts in one motion — **no heat damage, no adhesive residue** — leaving a clean, print-ready band. The touchscreen panel sets tension and cycle mode in seconds, making it ideal for cash handling, printing, food packing and e-commerce fulfilment.

- **Touchscreen control panel**
- **Bands items as small as 30 × 10 mm**
- **20 mm or 30 mm tape width builds**
- **AC 220 V, only 80 W — plug and run**
